### APACHE COUNTY ROAD ABANDONMENT POLICY

Public roads within Apache County may only be abandoned by the Board of Supervisors if those roads have been properly dedicated to the general public and properly accepted by the Board or by the public. Proper dedication and acceptance means that the dedication and acceptance were accomplished pursuant to Arizona law or the common law. The Board of Supervisors lacks authority to abandon any public road which is not properly dedicated or accepted and will decline to abandon those roads. Any person or persons desiring the Board to abandon a public road must sufficiently prove to the County Engineer and County Attorney that proper dedication and acceptance has been made, prior to any abandonment of a public road.
